LA BORGHESIANA SPORTING CENTER

Located in an exceptional setting at the foot of the Castelli Romani, La Borghesiana sporting center benefits from an exclusive and captivating location on 17 hectares of parkland. Immersed in the luxuriant greenery of an extensive estate, La Borghesiana is an ideal place to indulge in the pleasures of relaxation, a passion for sport, a wide range of events, and the delights of cuisine.

With a nationally-renowned sports centre on-site, the hotel is a favoured destination for some of the world's top sports teams.

HISTORY

La Borghesiana is built on a site imbued with history. The name "Borghesiana" refers to the noble Borghese family, who lent their name to the famous district in Rome.

With an impressive set of buildings designed in the 1990s during the football World Cup, La Borghesiana was conceived to appeal to people who love being in contact with nature, playing sport, or simply holding an event in a unique setting.

Over the years, top domestic and international football and rugby teams have chosen La Borghesiana to prepare physically and mentally for their important matches.

PHILOSOPHY AND KNOW HOW

At the heart of our philosophy lies an attention to detail. Every single day we strive to do better, to ensure that we offer our guests the highest possible levels of professionalism. Our strengths are the uniqueness and beauty of the complex, which is perfectly suited to offering top level products and bespoke services to all of our customers. The hotel's new management has the consolidated organizational know-how to helm a rolling program of exciting new developments, and rises to meet the challenges of the day, whatever they may be.

THE HOTEL

Elegance, taste and a warm welcome are the strengths of a hotel spread over multiple buildings in the heart of the estate, including a large new hall designed with harmonious and modern lines.

La Borghesiana sporting center has earned its reputation as a top destination by selecting only the finest materials and furnishings, applying leading-edge, high performance technologies, and offering the highest levels of hospitality and care.

SPORT FACILITIES

La Borghesiana sporting center was purpose-built as a retreat for pre-match preparation, meetings and sports competitions, with well-groomed regulation sports pitches, dressing rooms and all of the amenities that top teams expect.

La Borghesiana sporting center invites its guests to discover a world of pleasure and wellbeing and chase the stresses of life away.

Our open-air sports pitches, swimming pool and covered gym are ideal for every conceivable sporting discipline. Our multifunction centre includes clay tennis courts, five-a-side football pitches, eight-a-side football pitches, and full-sized grass football pitches.

THE FITNESS CENTRE - at the very heart of our extensive sports complex - has everything you need to practice physical activities without any concerns.

Offering a vast range of equipment and multifunctional machinery for bespoke training regimes, we cater to a full range of gym exercises for enhancing physical fitness. The Fitness Centre has a warm-up and stretching room for pre-match exercises.

Guests can enjoy our open-air 16 x 8m **SWIMMING POOL**, which is a wonderful place to practice and enjoy sport on warm summer days.

FOOTBALL AND FIVE-A-SIDE PITCHES

Italy's senior and youth national football teams come to our sports facilities to prepare for international tournaments.

We have three regulation-sized grass football pitches, and one laid with Astroturf. These pitches, which are used by the Italy football team, are considered among the finest in Italy.

Two 5-a-side football pitches offer an ideal surface for sports players keen on having fun and staying fit.

TENNIS COURTS

Nine tennis courts (seven in clay, two in Astroturf) form an integral part of our sports complex, and are perfectly groomed to ensure an ideal training regime in the lead-up to major matches. Our tennis courts are arranged alongside our splendid Club House, where guests can enjoy a broad range of services, including a bar area, a relaxation zone with pay-TV, and open-air tables from where tennis matches may be viewed. A reservations and information office is open around the clock, and the complex also features a pool/billiards room.

RUGBY PITCH

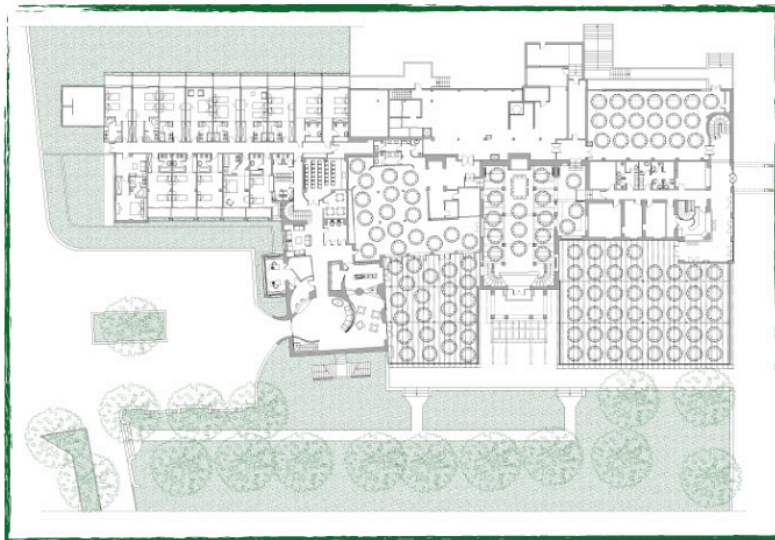

La Borghesiana has welcomed a number of rugby teams that have come to use our facilities and prepare for major competitions. For many years now, La Borghesiana has been the official training and preparation ground for the Italy Rugby Team.

Our truly strategic location makes La Borghesiana an ideal site for a wide range of conference activities and events in a private and tranquil setting.

Our multifunction meeting rooms feature the most advanced technologies for events, conferences and meetings.

La Borghesiana has multimedia video conferencing-equipped halls that seat between 15 and 700 participants.

THE MICHELANGELO ROOM hosts up to 160 people. Furnished with comfortable seating, it is an ideal venue for press conferences and sports symposia.

THE GIOTTO ROOM is ideal for private and business meetings, and is equipped with LCD TVs, VHS video recorders, DVD readers and a video projector.

THE BERNINI ROOM AND THE BORROMINI ROOM: Our 700 sq. m. marquee (which can be split into three smaller areas for congresses and meetings) offers limitless opportunities for buffets and/or working lunches.

BORGHESIANA SOCCER ACADEMY PROJECT

The Borghesiana Soccer Academy is a project dedicated to young people between 5 and 18 years of age which was established due to the wish to invest in initiatives capable of creating opportunity for youngsters.

The B.S.A. (Borghesiana Soccer Academy) was established for young people making their debut who are football enthusiasts, following their professional and human development together.

The academy has its own strong values and it wishes to promote a sporting culture through a new approach, and to make this approach a model of national importance.

All of this thanks to the healthy competition we cultivate "in the field", our widespread presence in the territory and an increasing strengthening of synergies with high level partners.

The preparation B.S.A. offers its athletes and the all round care it takes of them permits them not only to develop and improve in their respective roles but to make this lifestyle their own, to enhance their enthusiasm.
