OUR HISTORY

It all started in 2010, in Portugal. Since then, it has grown to become one of the premier competitions in the world, welcoming over 100.000 players every year from 114 nations since the first edition. The IberCup has been held in some of the most iconic locations in Europe and South America, including Madrid, Barcelona, Lisbon, Rio de Janeiro, São Paulo and many others. The event has become a true celebration of sports and we are only starting.

MISSION STATEMENT

Our commitment is to take the next generation to a level up through football. Our goal is to provide world class events that can develop personal growth, teamwork and passion for sports. We believe that bringing together young athletes from different backgrounds and cultures is an essential element in developing a diverse and inclusive global community.
